

THE CUMISEH '81

CURRENT EVENTS

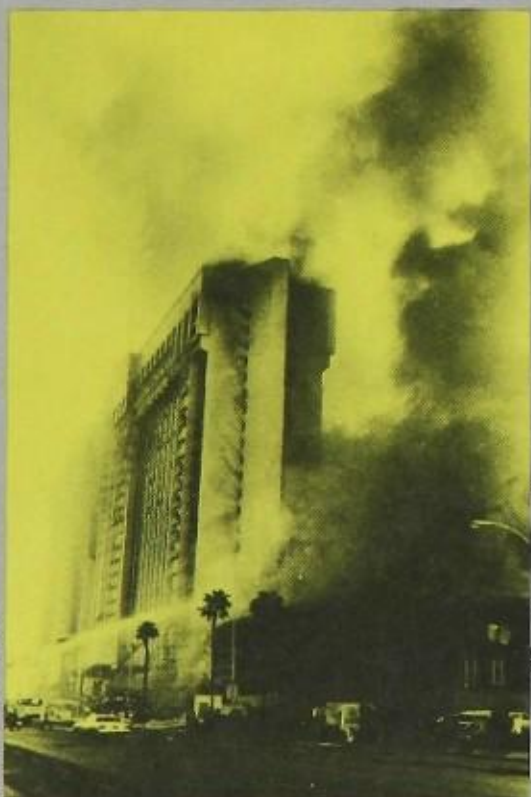

CLOSE-UP OF SATURN - An unmanned spacecraft named Voyager I sailed past Saturn, sending us photos of a previously unknown planet.

LANDSLIDE VICTORY - After 12 years of trying, Ronald Reagan harnessed a time-for-change

conservatism and swept Jimmy Carter out of the White House with a surprise landslide at the polls.

Wide World Photos

LAS VEGAS CASINO BURNS - The second worst hotel fire in U.S. history killed 84 and injured 500 at the MGM Grand Hotel. The fire alerted people to the fact old fire safety controls may not be keeping pace with fire control problems in high-rise buildings.

GOLD MEDALIST - At the Winter Olympics in New York, Eric Heiden captured five gold medals in an unprecedented sweep of the men's speed skating events.

DURANTE DIES - Jimmy Durante parlayed his big nose and sunny affability into a 60-year career spanning entertainment all the way from vaudeville to television. He was 86.

BASEBALL'S TOP HITTER - Kansas City Royals third baseman, George Brett, wrapped up the season with a phenomenal batting average just short of .400 and was voted the A.L.'s most valuable player. His team lost the World Series to the Philadelphia Phillies.

BRUSH FIRES - A wall of fire headed toward the campus of California at San Bernadino — one of several brush fires that raced through Southern California, destroying over 30,000 acres and over 100 homes.

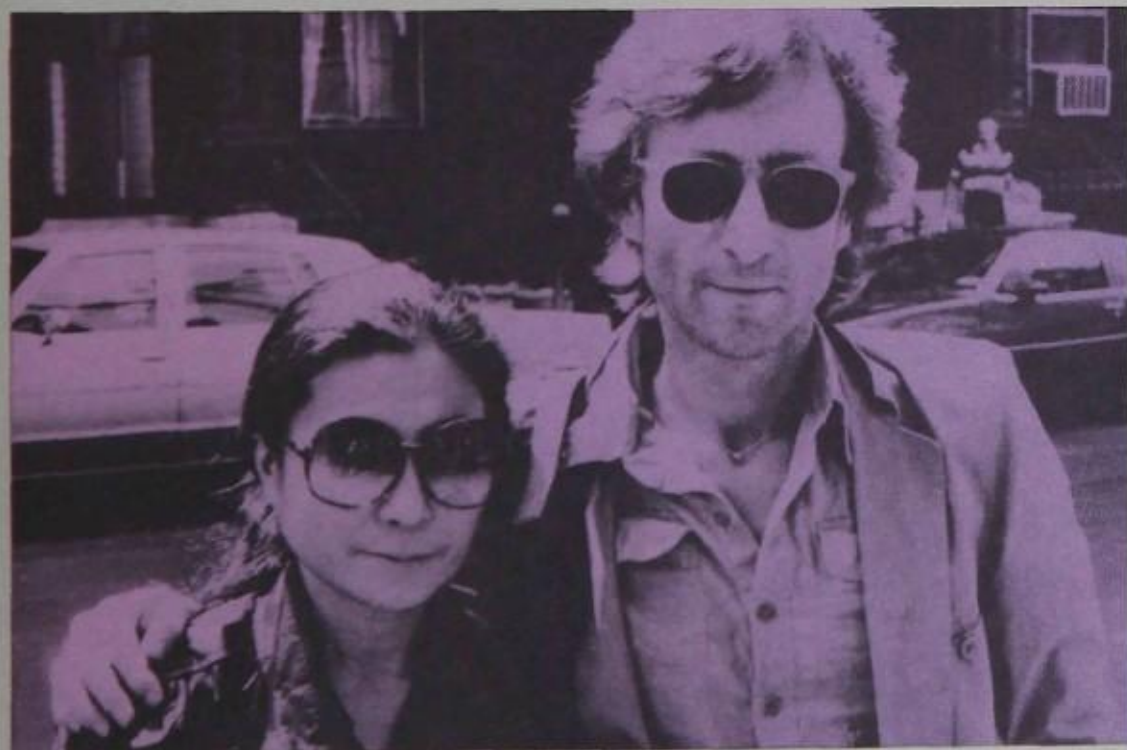

IRAN, IRAQ DECLARE WAR - Iran became sufficiently weakened by worldwide repercussions over the seizure of the American Embassy and became a feasible target for neighboring Iraq.

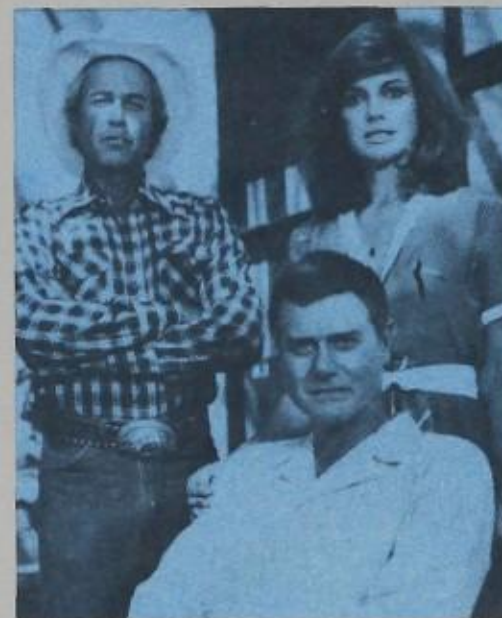

BAILING-OUT CHRYSLER - President Carter shook hands with Chrysler Chairman Lee Iacocca in May after signing a \$1.5 billion federal loan to keep the nation's third largest auto-

maker afloat. When their 1981 line didn't sell as predicted, the corporation started looking for further federal generosity.

GIVE PEACE A CHANCE - The hopes of a generation were summed up in John Lennon's poetic lyrics. The former

Beatle was shot and killed on the steps of his New York apartment, causing a worldwide outpouring of grief.

WHO SHOT J.R.? - Over 83 million Americans turned on their TV's one Friday night in November to find out who shot J.R. Ewing, the dastardly double-dealer of CBS' "Dallas." The episode had the highest ratings in television history.

Edward A. Wierzalis **Elissa M. Decker**

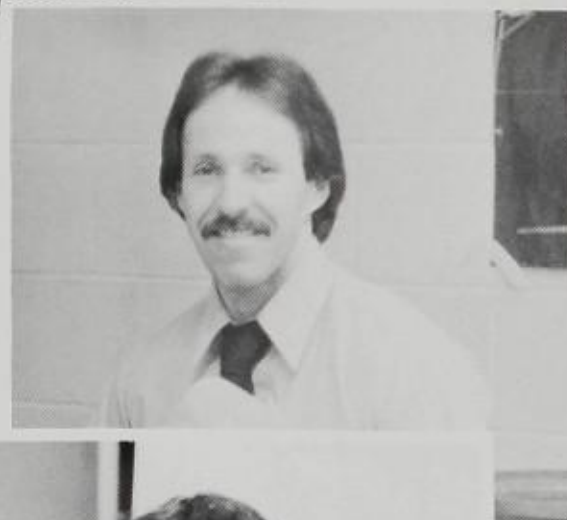

As our time at Shawnee draws to an end, we look back over our many memories. Prominent in those memories is the presence of two very special people, our advisors - Mr. Wierzalis and Mrs. Decker.

They were a guide in our times of confusion. They were a helping hand in our times of triumph. They were a smile in our times of joy. Together they were our counsel and our motivation. But most of all, they were our friends.

As it all too often happens, however, we have neglected these friends of ours. We have not expressed our feelings to them. We have not told them how much we appreciate all that they have done for this class. We have not thanked them for all the time and energy they put into helping us. We have not thanked them for their loyalty and patience.

But, the time has now come to do these things. We can now tell them that their actions were appreciated and that their assistance has not gone unnoticed. We do this by dedicating our yearbook to them with the hope that they will realize how much their presence has meant to us throughout our high school years.

The memories of the Class of 1981 began in 1977, when we fearfully entered Shawnee High School for our first day of school. One of our earliest memories was Mr. Steinmetz's welcoming slide show. A long list of clubs and activities was described during the Orientation Assembly. And, it seemed as though there was a group for every student's interest.

Our sophomore year opened with the first of three years of successful Spirit Week competition. Of our many fund-raising events, the largest money-makers were the candy sale and the sale of pom-poms at the football games.

Our Junior year begins. Who will ever forget the Nerd Dance? Shawnee High had never seen anything like it. The Junior Dinner Dance was our first formal dance. Organized and hosted by the junior class officers, it proved to be a special night for all. (sorry about the band.) Without the help of our hard working advisors, Mrs. Decker and Mr. Wierzalis, we never would have been able to put this one together.

We're seniors at last! The Shawnee Mouse flies and we finally win Spirit Week. We worked hard to raise money for our Florida class trip with a dance marathon, the Great Balloon Race, candy sales, and the Variety Show.

Finally, we embarked on the trip we had all been waiting for- Disney World. We spent three unforgettable days basking in the Florida sun and enjoying the Magic Kingdom.

After returning from Florida, we put the final touches on our Senior Prom. This evening proved to be one that will live on in our memories.

Now our year as seniors is over, and we begin to hum "Pomp and Circumstance" in preparation for the biggest night of our Shawnee career. We've done it all and done it well.

Here we come, the class with the spirit, the Class of '81.

Brian looks on from the sidelines.

The Shawnee Varsity Football Team ended its season with a 4-4-1 record. The record, however, is very deceiving. After a slow start, the Renegades found themselves 0-3-1. Then in the last six games, the Renegades went with only one loss to a tough Cherokee team. Co-captains for this year's team were Jeff Wojkowiak and Jeff Klein. This year's captain was Brian Gassert, who broke his leg in a pre-season scrimmage and came back for the last two games.

Band Front

The Band Front groups perform at home and away football games with the Shawnee Marching Band. They rehearse daily after school for their weekly shows. Throughout the year, they are invited to represent Shawnee High School in local parades. Interested students audition in early September for entrance to the squads.

Shawnee Varsity Field Hockey

Toni sets up the play.

Once again, the girls field hockey team, young but surprisingly ready and raring to show their ability, proved themselves by displaying an impressive record of 13-5-3. The team's tri-captains this year were seniors Linda Irwin, Karen Mason and Debbie Gerber. Mason led the attack with 16 goals which helped the team earn their 2nd straight Burlco Liberty Division Championship. The only other two starting seniors were backs Lori Luttrell and Jackie Heintz who were the key in helping goalie Debbie Gerber earn her 9 shut-outs and allow only 18 goals all season.

The team's season ended with a 1-0 loss to Toms River North in an unfortunate controversial issue with less than a minute to play in the semi-final game for the South Jersey title, but prospects again look high for the team next year with less than half the team leaving.

Linda Irwin

Leslie goes for the goal.

GIRLS GYMNASTICS

The Girls Gymnastic team had a great season. The girls ended the year with the best record ever achieved by the team-7 wins and 3 losses.

Three gymnasts qualified for State Sectional Competition. They were Diana Foster on balance beam, Jane Menice on uneven bars, balance beam, and floor exercise and Dawn Mason qualified in all four events - vaulting, uneven bars, balance beam and floor exercise.

Two girls went on to the State Finals - Dawn Mason in balance beam and Jane Menice in balance beam and floor exercise. This was quite an accomplishment for both gymnasts.

Overall the season was hard, but it had its rewards. For example, juniors Tim Mortimer, Brian Mortimer, Gary Hoffman, Ed Love, and Glenn Pannabakker had a very successful season. To the Class of 1981:

During your years at Shawnee High School, our Country experienced several major changes in its relationship with the world and its expectations as these pertain to the future use of limited natural resources. At the same time, you evolved from early adolescence to young adulthood.

As the world began to inventory its finite resources and espoused its future expectations in receding terms, you began to realize your infinite potentialities and unlimited future expectations.

We are at a crossroad of an exploding technology and a limited pool of energy and other natural resources. You are at a crossroad of an unparalleled future, limited only by your own efforts to prepare yourself. Just as I believe man's intellect and motivation will overcome our present problems through technological advances, so do I believe each of you can achieve a happy, productive, fulfilling life through the full use of your talents.

If you substantially achieve our expectation of your unlimited abilities, you will make our country and the world a little better than you found it.

It is our hope that your years at Shawnee permitted you to achieve a sense of maturity which enables you to accept the responsibility of your own actions and to understand that your actions alone will be primarily responsible for whatever you become.

It has been a privilege to have been a part of the educational process that provided you an opportunity to prepare yourself for the future.

WINTER SPORTS

Coach Pullen

There is much to be said about the Shawnee wrestling team. Aside from the fact that the team was hard-working and determined to do it's very best, which they did. In the Edgewood tournament, Jim Moody, and Mark Scafidi, the team captains, placed 2nd and 3rd respectively. During the course of the season there were some close matches, a few were one and a few were lost. In the districts, they placed 2nd behind Lenape who was 2nd in South Jersey at the time. Mike Wetterau placed 1st; Jim Moody, Mark Scafidi, Brian Miller and Lloyd Henry placed second; and Jeff Klein placed 3rd. Five Shawnee wrestlers were in the regions. Jim Moody took 2nd place and Mark Scafidi took 4th. Jim Moody is the only team member eligible to compete in the state tournament.

In high school it is not whether you win or lose it is how you play the game. In a match or in practice all the team members gave it their total effort, which gave them a total performance that made them champions. Only in professional sports does it matter whether you win or lose. The members are there to learn, to have fun, and to make friends. Thank you Mr. Pullen, Mr. Panarella, and Mr. Burtis. Without you we wouldn't have been able to do our best.

Mark Scafidi

Kneeling: Tim Umbehauer, Jim Moody, Kevin Smith, Russ Campbell, Joe Libby, and Loyld Henry. Standing: Bill Morrison, Mike Miller, Brian Miller, Mark Scafidi, Joe Rus-somanno, and Tom Savon.

John Keim up for two

This year's Varsity Boy's Basketball squad ended the season with the best record ever compiled by a Shawnee team- 15 wins and 9 losses. The nucleus of the squad was comprised of seniors who played together for the past four years, a fact which was displayed in the team effort put forth by the players. Time and again the Renegades would post victories over teams that had more individual talent, but less team unity. Special honors were won by Peter Minnium, who made All South Jersey Group 4, and John Keim, who received honorable mention in the same category. It was also a tremendous development for the underclassman who should be able to pick up where the '80-'81 team left off.

When one reflects on this season's swimming squad, a picture of a powerful tidal wave should come to mind, leaving a path of victory and destruction. Drowned in that path of destruction were many teams, including some important wins over Lenape, Cherokee, and J.F.K. leading the team to achieve their 7-3 overall record and gaining their first Burlington County Co-championship.

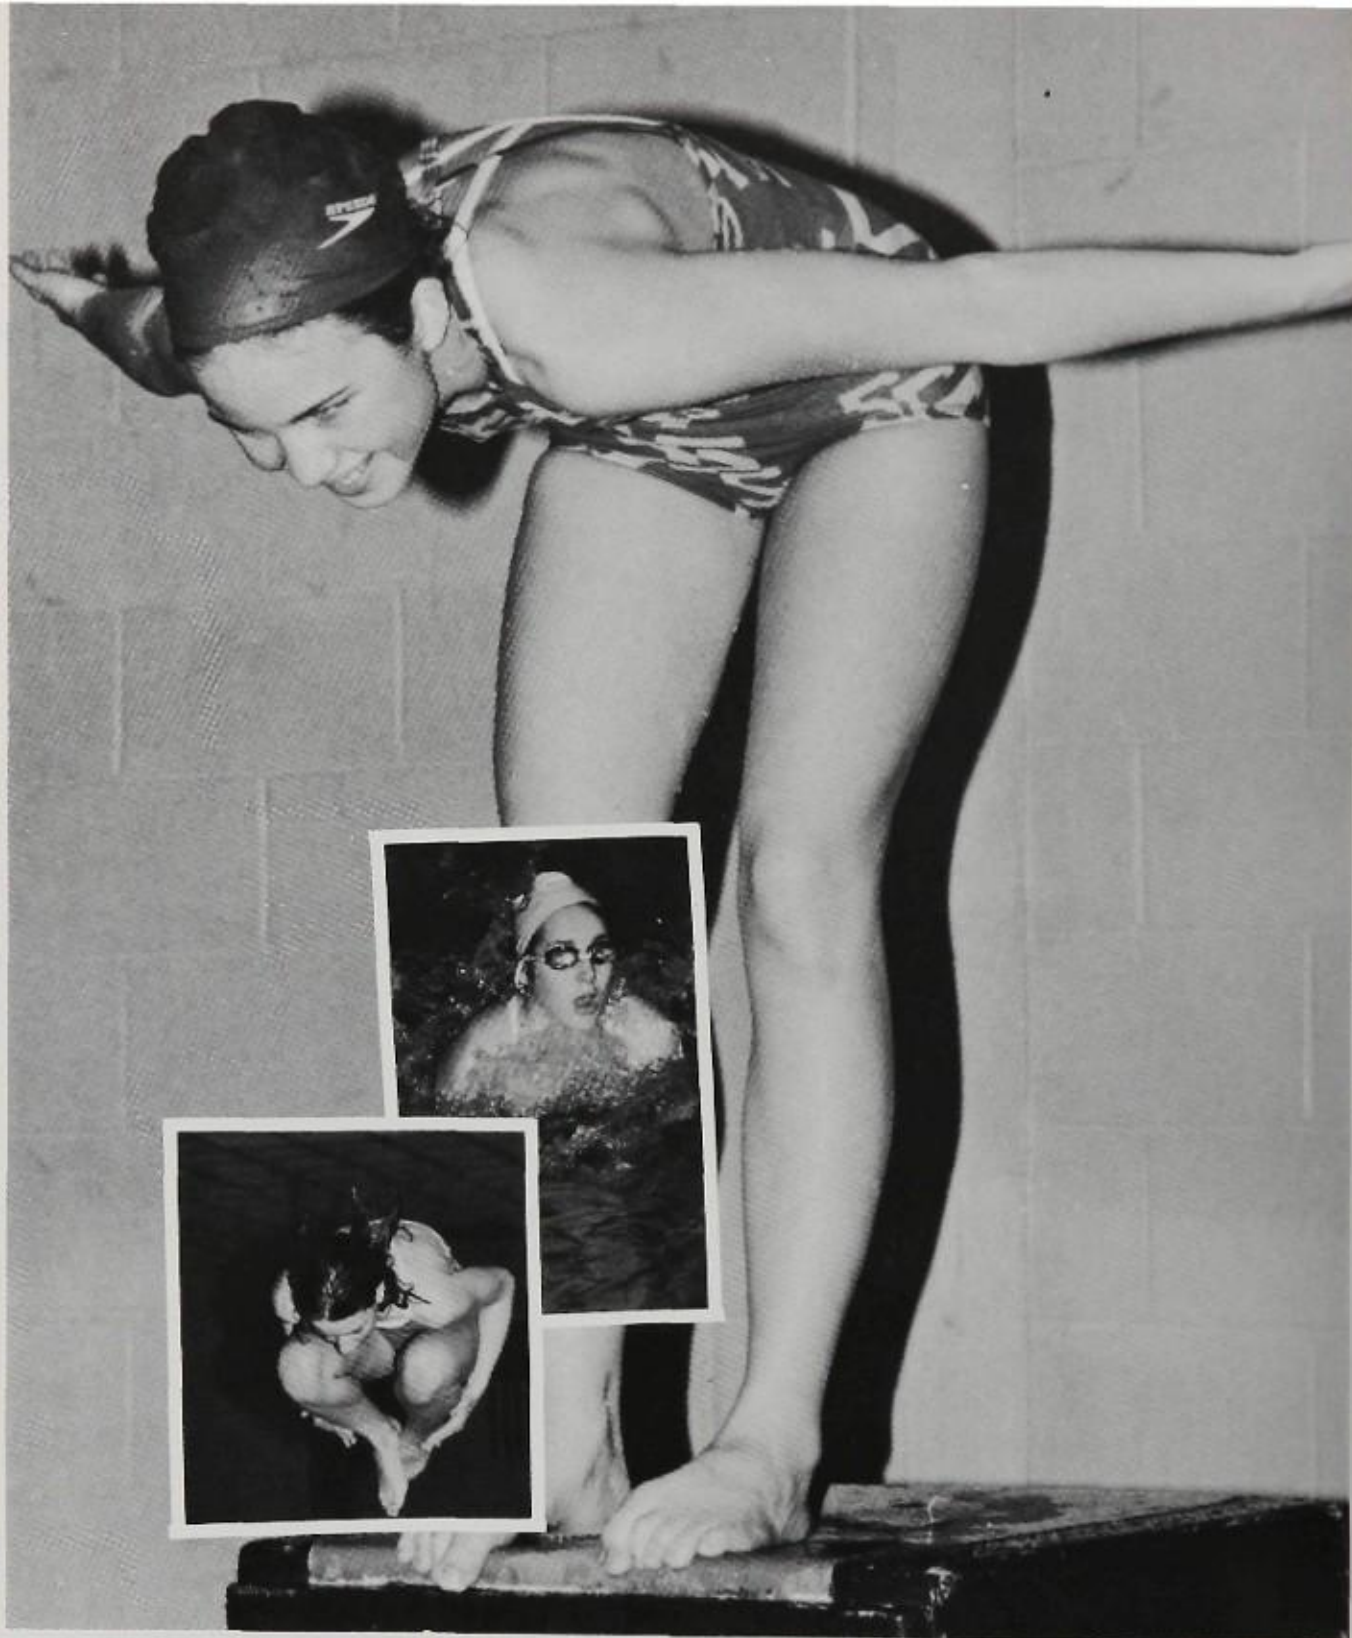

Some impressive records were made this season. The new records belong to: Skip Parry-200 medley, 100 yd. backstroke; Jeff Ciolo-200 medley relay, 200 yd. freestyle, and 100 yd. butterfly; George Seavy-200 medley relay; and Todd Majors-200 medley relay and 50 yd. freestyle.

Earning victories in the Burlington County Championships were Jeff Cioli, Todd Majors, Skip Parry, and George Seavy. The commendable captains were John Hartman and Todd Majors. Also, the graduating seniors are John Hartman, Rich Alber, Ross Alber, Joe Cutry, Pat Dougherty, George Seavy, and Jeff Cioli.

Girls Swim To State Competition

Coach Evans

Amy goes for it (the dive, of course).

Fly, Holly, Fly!

The girl's swim team had a very successful season with only one league loss to Holy Cross. In league championships, the medley relay team placed second, and also qualified for state competition. Alison Evangelista, Amy Sharp, Jennifer Bonk, and Sue Littlefield also fared well in championships, and Lynda Harnish placed third in diving. All five qualified for state competition. Every member of the team made a significant contribution to the victorious season. The success of the 1980-81 season was due to the depth and tremendous spirit of the team.

Girls Take Second In South Jersey

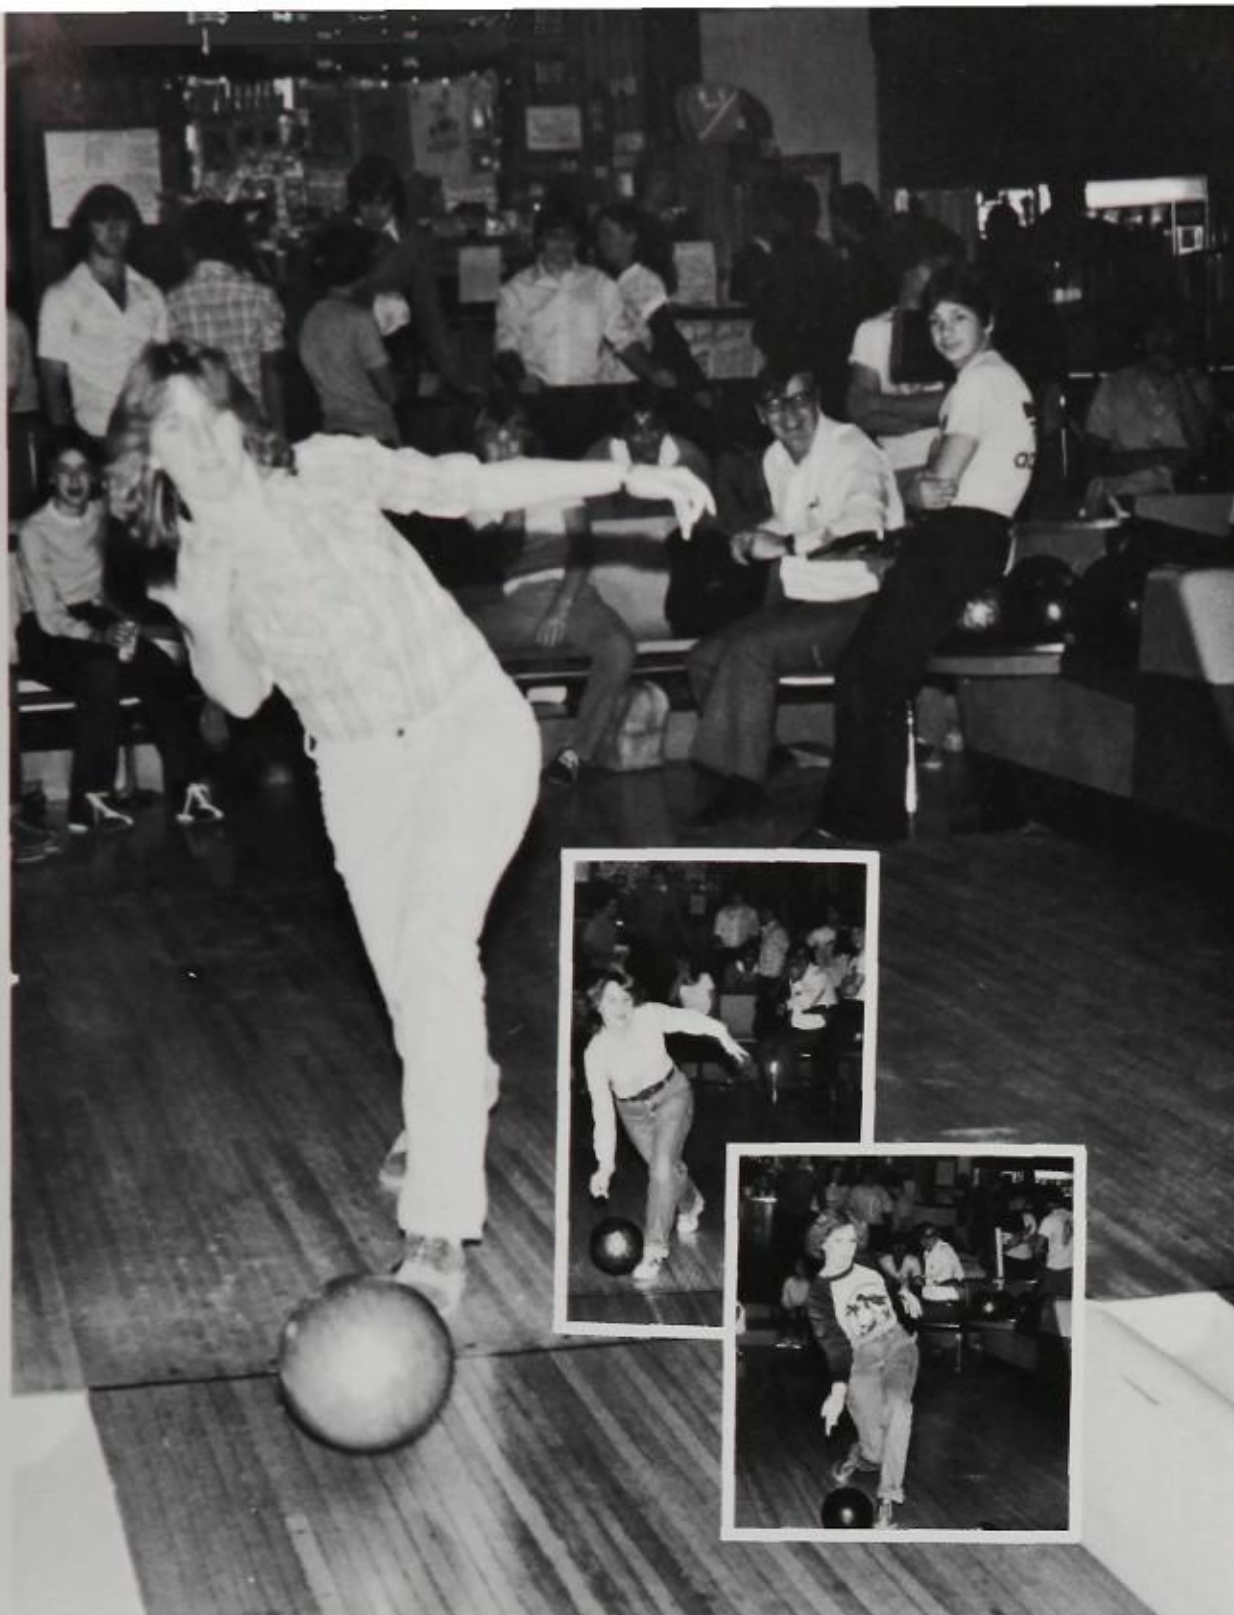

Coach Bacon

Kneeling: Chris Brandt, Kelly Fallon, and Bonnie Stahl.
Standing: Jill Bieberbach, Anne Capocci (captain), Mike Bacon (coach), Gail Moore, Joyce Aydt, and Terri Johnson.

The girl's varsity bowling team had a rebuilding year. The team had only two seniors, Gail Moore and team captain Anne Capocci. The girls finished with a league record of 4-7-5. Freshmen Joyce Aydt and Chris Brandt and sophomores Terri Johnson and Jill Bieberbach were the other varsity starters. The team's season had a bright spot at the South Jersey Tournament. The girls beat every team in Burlington County, and finished second in South Jersey. They advanced to the finals of the state tournament, and took twelfth place in the state. Joyce Aydt won several individual honors, including high series at the Spartan Christmas Tournament and received an all-star mention at the New Jersey State Tournament.

The junior varsity girls finished just under .500 in the league with a 6-8-2 season. The many underclassmen will contribute to strong teams in future years.

Boys Have Strong 13-3 Season

The varsity boys' bowling team had an outstanding season in 1980-81. The team had a 13-3 season, a record good enough to capture second place in the competitive Burlington County Bowling League. The team was led by senior captain Tom Smith, junior Steve Sizemore and sophomore Mark Cimaglia, all of whom had averages over 170. Seniors Jerry Chamar, Dave Niguidula and Kevin Bayzath and junior Drew Deighan made up the rest of the varsity line-up and contributed to the team's 830-pin average.

The junior varsity squad had a 9-6-1 season. All of the starters on the JV team showed potential to fill the vacancies left by the four seniors, and Shawnee should have another winning season next year.

Dave Niguidula

Kneeling: Mark Gilday, Greg Williams, Curt Maginnis, and Kevin Bayzath. Standing: Wayne Diedrich, Mike Bacon (coach), and Steve Ullman.

The Staff tries to look busy.

'Twas the day before
deadline
And all was not right,
Not a creature was stirring,
Not even a mite.
We editors screamed
At the top of our lungs,
"Advisor! Dear Advisor!
What can be done?
We can't find the pictures,
The photographers are gone,
The dark room is flooded
This just can't go on!"
Late into the night
We worked until day,
Got the yearbook finished,
And sent it away.

EVENTS

HOMECOMING KING AND QUEEN: Leanne Magrann and Mark Scafidi

HOMECOMING 1980

The 1980 Homecoming Court was selected in a manner different than other years. For the first time in Shawnee history, the male escorts and the Homecoming King and Queen, but rather were voted on by the student body. This proved to be a success.

For the second year in a row, the Class of 1981 won the float competition with their float "The Sky's The Limit." The other floats "went nuts" in "shooting for" an "SHS Victory."

SOPHOMORE ATTENDANTS: Karen Cole and Dan Bailey

SENIOR ATTENDANTS: Debbie Turgeon and Reed Haywood

JUNIOR ATTENDANTS: Mary Meyer and Harry Beck

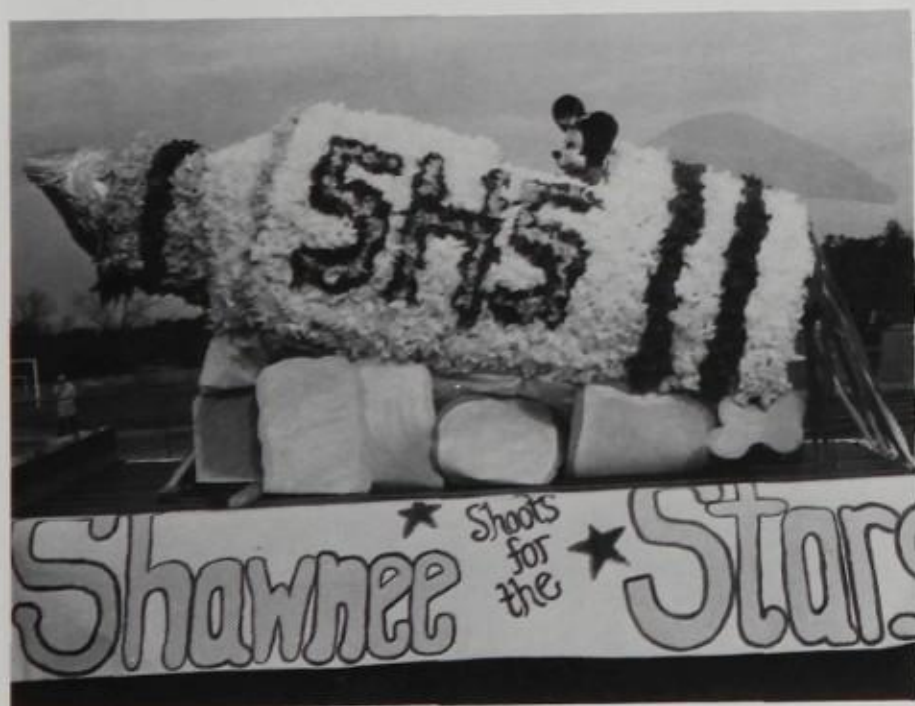

FRESHMAN ATTENDANTS: Melanie Kleiner and Paul Bolognone.

Freshman go nuts

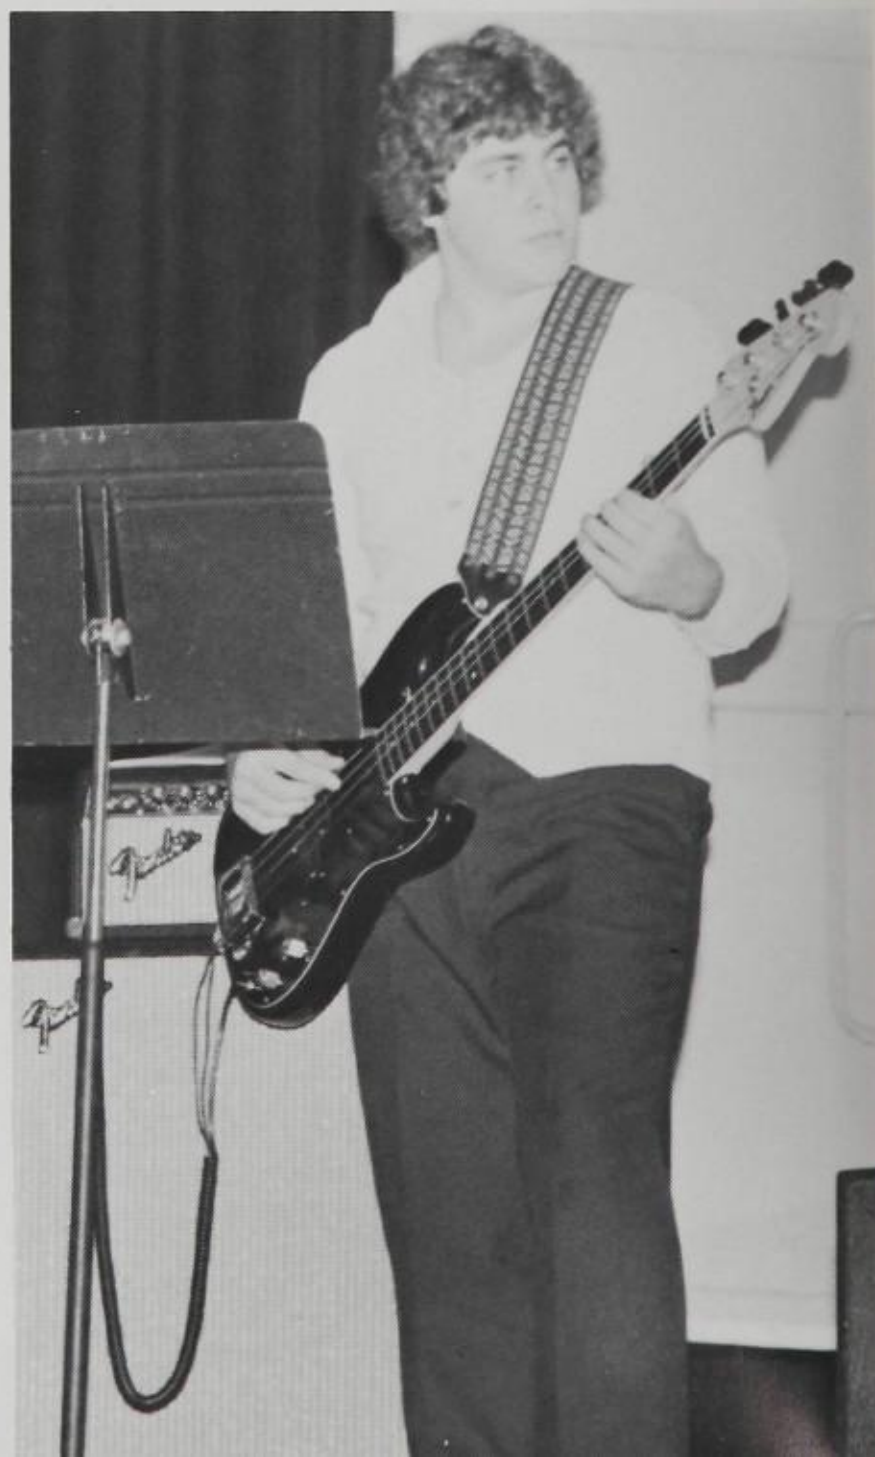

The Shawnee tradition of Spirit Week continued as strong as ever in 1980. The school became a showcase of posters, streamers and other spirit decorations. Then, on Wednesday, the Spirit Week pep rally set the Renegades up for the annual defeat of Lenape. The seniors won the class competition as they decorated the cafeteria with "Victory Can't Wait" and used "Another Classic Comic Caper From the Class of '81" as the skit. The juniors transformed the lower circle into Shawnee's Hall of Fame. The class of '83 did well using Sesame Street as a theme. The freshman were impressive showing how "Shawnee goes nuts."

I will be the gladdest thing under the sun.
I will touch a hundred flowers
And not pick one.

Watch the wind bow down the grass,
And the grass rise.
And when lights begin to show up from the town,
I will mark which must be mine,
And then start down.

Widen your choices

The Army's Delayed Entry Program gives you a wider choice of skill training, plus your pick of duty stations.

By signing up now and waiting up to 365 days to report, you can select the skill training that most appeals to you.

If you want to learn communications, for instance, waiting a few months could re-

ward you with an opportunity that doesn't exist today.

And if you'd like to serve in Hawaii, for example, you can wait until an opening comes up.

See if you qualify. Delayed Entry is worth the wait.

WE MAY NEVER PASS THIS WAY AGAIN
by James Seals and Dash Crofts

Life, so they say, is but a game
And they let it slip away.
Love, like the autumn sun,
Should be dying but its only just begun.
Like the twilight in the road up ahead,
They don't see just where we're goin',
And all the secrets in the universe,
Whisper in our ears and all the years will
Come and go and take us up, always up.
We may never pass this way again.
We may never pass this way again.
We may never pass this way again.
Dreams, so they say, are for the fools
And they let them drift away.
Peace, like the silent dove,
Should be flyin' but its only just begun.
Like Columbus in the olden days,
We must gather all our courage;
And sail our ships out on the open sea,
Cast away our fears and all the years
Will come and go and take us up, always up.
We may never pass this way again.
We may never pass this way again.
We may never pass this way again.
So, I wanna laugh
While the laughin' is easy.
I wanna cry
If it makes it worthwhile.
I may never pass this way again.
That's why I want it with you.
'Cause you make me feel like I'm more than a friend,
Like I'm the journey and you're the journey's end.
I may never pass this way again.
That's why I want it with you. Baby.
We may never pass this way again.
We may never pass this way again.
We may never pass this way again.
We may never pass this way again.

CURRENT EVENTS

MOUNT ST. HELENS - With a blast comparable to the largest H-Bomb ever tested, Mount St. Helens erupted on May 18. Despite all the warnings, 32

people died and a paralyzing blanket of gray soot dropped over cities, farms and highways as far east as Montana.

THIRD CANDIDATE - Although John Anderson won only a small percentage of the popular vote in the presidential election, he stressed that his campaign was not wasted, "We have put the major parties on notice that they can never again come up with the kind of choices they have this year."

POLISH UNREST - Poland's striking workers brought down the government and dangerously provoked the Soviet Union.

Wide World Photos

REFUGEES FLOOD FLORIDA - In a little more than two months, 110,000 Cubans descended upon the United States. The sudden influx forced Florida's governor to declare a state of

emergency. Cuban President Fidel Castro claimed it was to teach the U.S. a lesson for welcoming Cuban hijackers as heroes.

TELEVISION STRIKE - Over 1,200 actors went on strike demanding compensation for videocassettes and cable TV. The long-winded strike lasted several months, delaying the new fall programs.

The Girl's Track team, in only its second year of existence, finished the season with a remarkable record of 10-2. This placed the girls second in the county. The team was led by captains Betsy Black and Dawn Mason. Other outstanding individuals were Sue Walker, who placed 3rd in the Group IV Sectional Meet in the 800 m, and Amy Sharp who took 5th in the same meet in the 400 m intermediate hurdles. Coaches Yurcho and Kloss hope to have an even better team next year, due to the fact that this year's team was very young, consisting of mostly freshman and sophomores.

Although the 4-10-1 record does not seem very impressive, the 1981 Lacrosse team, after suffering the loss of seven starters last year, was a challenge to every team they faced. Being moved into a higher division this year made competition greater. The team, consisting of only eight seniors and many underclassmen, will form a strong basis for next year's team. The following players were placed on All-star teams: Sharon Upton, Linda Irwin, Tracy Sampson, and Chris Morgenthaler.

The rain that had fallen early in the evening of March 27th, 1981 didn't dampen the spirits of the junior class as they headed on their way to the Dinner Dance, which was held at Auletto Caterers in Almonesson, New Jersey. The night began with a delicious dinner. Then slowly, as the tables cleared and the lights dimmed, the dancing began. This year's entertainment was provided by Shawnee's own disc jockey, Ted Steinmetz. "Always and Forever," the theme song voted by the junior class, was appropriate in summing up the whole evening. The night passed quickly, and soon it was one o'clock, and the dance was over, leaving only memories as everyone headed for home.

Senior Trip

On March 21, 1981, the Senior Class arrived at school at 4:45 in the morning to begin the long-awaited trip to Florida. Two Hundred Forty-five students left a cold Philadelphia Airport to arrive in sunny Florida. After a full day on the water slides at Wet 'N' Wild, the Seniors and the 15 chaperones went to the Court of Flags Hotel — however, the luggage didn't arrive until several hours later. The next stop was Florida Festival where the class ate dinner and listened to Ricky and the Tightropes. On Sunday, the Seniors went to Walt Disney World. A heavy rain fell in the afternoon and chased most of the crowd away. When the weather let up the Shawnee group had four hours to go on the rides with much shorter waits. The sun shone brightly on Monday, and the Class had another full day at Disney World. That night, the group went to Sea World for a Hawaiian Luau. Mrs. Decker celebrated her birthday and about 100 Seniors were taught the Hula. After the show, a disc jockey ran a dance party. The next morning, the Class ate their last breakfast of watery scrambled eggs and packed for home.

The 1981 Senior Prom held on Friday, May 15, at Auletto's Sunset Ballroom in Almonesson was a roaring success. It drew the largest attendance in history with over 500 students attending at only \$12 per couple. The couples thoroughly enjoyed an exciting evening full of good food and great music, which was provided by Mr. Steinmetz. The theme of this year's prom was "Everything I Own".

Spring Concert

This year's musical, "Broadway Encore," was a combination of many lively musical productions from several successful Broadway shows. "Chorus Line," "Annie," "Evita," "Pajama Game," "George M.," "Guys and Dolls," "Babes in Arms," "Oklahoma" and "A Little Night Music" were all represented. The musical productions were woven together with an original script about the cast and their experiences working in the show. The cast members' enthusiasm was truly the highlight of "Broadway Encore." The choreography, costumes and singing were all up to par with Shawnee's excellent reputation for successful shows. "Broadway Encore" was innovative and enjoyable for both the cast and the audience.

Amidst sunny skies (the weather co-operated for once), we said our good-byes, accepted our diplomas, and brought our high school years to an end. The time has passed so quickly. We've had some great times. We laughed together and cried together, but most of all we've grown together. We will always remember our years at Shawnee. But now, it is time to move on. We say farewell, but we will treasure the memories. Always remember us — the class with spirit, the Class of '81.

Stealing ideas.

A NOTE OF APOLOGY

The staff and advisors of the Tecumseh express our sincere apologies to all those Board of Education members whose pictures were not included in the 1981 yearbook. We regret the fact that we were unable to obtain all these photos, especially of the new members, and that some names were inadvertently misspelled. Our apologies also go to Mr. Eugene Irwin whose photo and name were both omitted. This is a most regrettable error. We are always grateful for the support we receive from the Board members and promise to rectify these errors in the 1982 edition of our yearbook.
